WCSO Investigating School Threat; Juvenile in Custody

A Williamson County middle school student is in custody this morning on a charge of making a school threat last week.

A county school bus was carrying 15 students to Grassland Middle School around 9 o'clock this morning when it stopped on Hillsboro Road near Monticello Estates. It was believed a student on the bus had a gun. A thorough search revealed there was NOT a gun on the bus.

That same student, however, was taken into custody, accused of making a school threat last week.
