NISSAN MAKES GENEROUS VEHICLE DONATIONS TO WCSO

Nissan North America in Franklin has made a generous donation of two new vehicles to the Williamson County Sheriff's Office. Nissan officials presented a 2017 van and 2017 SUV to Sheriff Jeff Long and Chief Deputy Dusty Rhoades in August. The vehicles are assigned to the Criminal Investigation Division and will primarily be used for on the scene investigations and interviews as a mobile forensics lab, office and negotiation operations center. Nissan previously donated two other SUVs to CID. The vehicles have an estimated value of \$120,000.

Sheriff Long said the latest vehicles will be customized to meet law enforcement needs and will be valuable to the agency's Criminal Investigators when they are out in the field.
