## New WCSO Deputies Graduate from Detention Training Academy

Seven new Williamson County Sheriff's Office Deputies received their badges and certificates last week at the Williamson County Enrichment Center during graduation from the WCSO Detention Training Academy (DTA). Sheriff Dusty Rhoades administered the oath of office and welcomed the new class of deputies to the WCSO.

The WCSO is one of only six agencies in Tennessee certified to have its own detention training academy. Thirty four classes of Deputies have graduated from the WCSO DTA.
