CI^G

You can win the battle against a critical illness, but can you handle the added costs?

A group critical illness plan helps prepare you for the added costs of battling a specific critical illness.

The good news is that many people with a critical illness survive these life-threatening battles. Unfortunately, as the recovery process begins, people become aware of the medical bills that have piled up.

Your recovery doesn't have to be spoiled by medical bills.

With this plan, our goal is to help you and your family cope with and recover from the financial stress of surviving a critical illness.

FIRST-OCCURRENCE BENEFIT

After the waiting period, a lump sum benefit is payable upon initial diagnosis of a covered critical illness. Employee benefit amounts available from \$5,000 to \$50,000. Spouse coverage is also available in benefit amounts up to \$25,000. If you are deemed ineligible due to a previous medical condition, you still retain the ability to purchase Spouse coverage.

ADDITIONAL OCCURRENCE BENEFIT

If an insured collects full benefits for a critical illness under the plan and later has one of the remaining covered critical illnesses, then we will pay the full benefit amount for each additional illness. Occurrences must be separated by at least six months.

RE-OCCURRENCE BENEFIT

If an insured collects full benefits for a covered condition and is later diagnosed with the same condition, we will pay the full benefit again. The two dates of diagnosis must be separated by at least 12 months, or for cancer, 12 months treatment free. Cancer that has spread (metastasized) even though there is a new tumor, will not be considered an additional occurrence unless the Insured has gone treatment free for 12 months.

CHILD COVERAGE AT NO ADDITIONAL COST

Each Dependent Child is covered at 25 percent of the primary insured amount at no additional charge.

\$50 HEALTH SCREENING BENEFIT

(Employee and Spouse only)

After the waiting period, an insured may receive a maximum of \$50 for any one covered health screening test per calendar year. We will pay this benefit regardless of the results of the test. Payment of this benefit will not reduce the critical illness benefit payable under your certificate. There is no limit to the number of years the insured can receive the health screening benefit; it will be paid as long as the certificate remains in force. This benefit is payable for the covered Employee and Spouse. This benefit is not paid for Dependent Children.

WHAT IS NOT COVERED, LIMITATIONS AND EXCLUSIONS, AND TERMS YOU NEED TO KNOW

IF DIAGNOSIS OCCURS AFTER THE AGE OF 70, HALF OF THE BENEFIT IS PAYABLE.

The plan contains a 30-day waiting period. This means that no benefits are payable for any insured who has been diagnosed before your coverage has been in force 30 days from the effective date. If an insured is first diagnosed during the waiting period, benefits for treatment of that critical illness will apply only to loss starting after 12 months from the Effective Date or the Employee can elect to void the coverage and receive a full refund of premium.

The applicable benefit amount will be paid if: the date of diagnosis is after the waiting period; the date of diagnosis occurs while the certificate is in force; and the cause of the illness is not excluded by name or specific description.

EXCLUSIONS

- Benefits will not be paid for loss due to:
- Intentionally self-inflicted injury or action;
 - Suicide or attempted suicide while sane or insane;
 - Illegal activities or participation in an illegal occupation;

WHAT IS NOT COVERED, LIMITATIONS AND EXCLUSIONS, AND TERMS YOU NEED TO KNOW

- War, whether declared or undeclared or military conflicts, participation in an insurrection or riot, civil commotion or state of belligerence;
- Substance abuse; or

No benefits will be paid for loss which occurred prior to the Effective Date.

No benefits will be paid for diagnosis made or treatment received outside of the United States.

PRE-EXISTING CONDITION LIMITATION

Pre-Existing Condition means a sickness or physical condition which, within the 12-month period prior to the Effective Date, resulted in the insured receiving medical advice or treatment.

We will not pay benefits for any critical illness starting within 12 months of the Effective Date which is caused by, contributed to, or resulting from a Pre-Existing Condition. A claim for benefits for loss starting after 12 months from the Effective Date will not be reduced or denied on the grounds that it is caused by a Pre-Existing Condition. A critical illness will no longer be considered pre-existing at the end of 12 consecutive months starting and ending after the Effective Date.

The **Effective Date** of your insurance will be the date shown in your Certificate Schedule.

Employee means the insured as shown in the Certificate Schedule.

Spouse means an Employee's legal wife or husband.
